**UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.**

Issued by the Department of Transportation  
on the 13th day of April, 2010

In the Matter of the

**SMALL COMMUNITY AIR SERVICE  
DEVELOPMENT PROGRAM**

**DOCKET DOT-OST-2009-0149**

under 49 U.S.C. 41743 *et seq.*

**ORDER AMENDING FISCAL YEAR 2009 GRANT AWARDS**

**Summary**

By this order, the Department adds Monterey, California, to the communities previously selected to receive financial grants under the Small Community Air Service Development Program (Small Community Program) for 2009. The amended list of communities and the amount of each grant award appear in the Appendix to this Order.

**Background**

The Small Community Program is designed to help small- and medium-sized communities enhance their air service and address issues related to high airfares.<sup>1</sup> Grants are competitively awarded annually based on the proposals presented by communities in their grant applications. By Order 2010-2-12, dated February 18, 2010, the Department announced its selection of 19 communities to receive Small Community grants for 2009. Due to the availability of additional funds, the Department made an additional award, to Monterey, California, the next community in order of selection to receive a grant award.

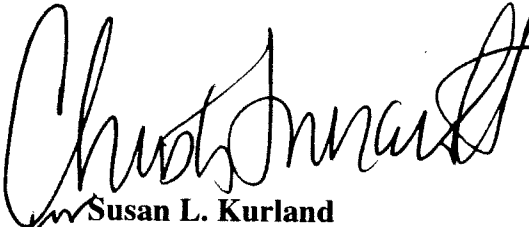

---

<sup>1</sup> See Orders 2002-6-14 and 2003-9-14 for a complete description of the history of the program.

**ACCORDINGLY,**

In addition to the 19 communities previously selected by Order 2010-2-12 (see Appendix), we select the community of Monterey, California, to receive a grant award under the Small Community Air Service Development Program for 2009.
